Tour Itinerary

Thursday 25th April 2019

Departing Staffordshire this morning, we travel to Yorkshire, stopping en route at the Denby Pottery Factory Outlet. This afternoon we head onwards to the award-winning gardens of Newby Hall. Mostly created in the early 1920s, the gardens have evolved over the years and to this day present horticultural delights. Late afternoon we bid farewell to Newby and continue our journey to the 4* Crowne Plaza Hotel, our home for the next 3 nights. Enjoy free time to relax and unwind before enjoying dinner as a group this evening. (D)

Friday 26th April 2019

After breakfast this morning we enjoy a full day at the Harrogate Spring Flower Show, one of the UK's premier gardening events. Visit the spectacular Plant Nursery Pavilion which hosts dozens of fabulous displays by the UK's top nurseries. Lose yourself in a sea of over 5,000 beautiful blooms in Britain's biggest exhibition by specialist gardening groups. There will also be stands and shows from nearly 20 different gardening societies, all with the knowledge and experience to help you get the most from an array of wonderful plants and flowers, including dahlia, delphinium, carnation, chrysanthemum, roses and gladioli. You can also delight your taste buds with a delicious range of specialist food and drink to take home. From brownies to beer and pork pies to a wide range of preserves, exhibitors here have a huge variety of tasty regional foods to offer. Many offer the chance to try before you buy, so you can pick up a treat or two, but if you fancy something more substantial to eat on the day the show has many great restaurants, cafes and food outlets dotted around. We return to our hotel in time for our evening meal. (B, D)

Saturday 27th April 2019

After a leisurely breakfast this morning we visit Daleside Nurseries, a family-owned and run Retail Nursery who pride themselves in an extensive range and quality of plants they grow and sell. **Continued overleaf...**

Itinerary Continued

Saturday 27th April 2019 Continued...

We continue onwards to RHS Harlow Carr, with plenty of time to enjoy exploring some of its 27.5 hectares (68 acres) of beautiful grounds. Perhaps treat yourself to lunch or afternoon tea at the renowned Betty's Café Tearooms here. Harlow Carr's gardens are set in a valley and are very much a part of the surrounding Yorkshire countryside, with a wide variety of growing landscapes, running and still water and lovely woodland and wildflower meadows. Acidic soil affords a fabulous environment for rhododendrons and Himalayan blue poppies, whilst visitors can be inspired if they have to contend with similar weather conditions - cold, drying winter winds, deep frosts, a cooler, shorter growing season and lots of wet weather. RHS Harlow Carr will delight with its innovative design, creative planting and practical ideas to take home. The garden has features evoking the surrounding landscapes, including water features, dry stone walling and wooded areas. Highlights include colourful herbaceous borders, the alpine zone and the woodland and streamside walks. We depart late afternoon with time to relax before our evening meal. (B,D)

Sunday 28th April 2019

After breakfast this morning, join your Tour Manager to visit the Valley Gardens in Harrogate with an experienced local guide (optional visit at additional expense of approx. £10pp, details to be advised nearer departure date). The Valley Gardens are English Grade II Listed gardens situated in regal Low Harrogate which, along with the woodland here, are known as the Pinewoods. This area comprises of around 17 acres of parkland, woodland and floral displays. It is believed that a greater number of mineral springs come to the surface in Valley Gardens - more than in any other known location on earth. 36 of Harrogate's 88 mineral wells are found within the gardens, with no two being alike. The floral displays here are spectacular and include a magnificent dahlia garden and seasonal bedding displays that are re-planted throughout the year. The gardens are also home to beautiful historic buildings such as the Sun Pavilion and colonnades, which sit alongside a wide variety of shrub, flower and herbaceous beds. The gardens are continually being restored and regenerated, and this last year the restoration of the Japanese Garden began. Alternatively you can enjoy free time to explore the delights of the town before we begin our return journey home, including a visit en route to the Firvale Allotment Garden and a short coffee stop (at own expense). We will arrive back in Staffordshire early evening. (B)
